

# BEYOND THE BOOK STUDY: HAVING A CONVERSATION WITH GOD

You are invited to join a 4-week Zoom book study that goes beyond and into the reality of creating your own conversation with God.

How do you talk to God/the Divine/Spirit/Source/Universe? Have you given up trying to have a conversation, thinking that no one was listening?

But what if you could talk *with* God and feel guidance, support, and inspiration?

In this small group, *Beyond the Book Study Class*, we will be reading and discussing the book, *Conversations with God - Book One* by Neale Donald Walsch. With guidance and support, you will explore your own methods, questions, answers and insights from these deep and thought-provoking conversations.
